Mac Activation

1. After installing Office 2016 for Mac, open any Office program, like Word or Excel.
2. A window will appear saying Welcome to Office: Mac. How would you like to get started? Select Sign in to an existing Office 365 subscription.
3. Type in your email address (NDUS.identifier@NDUS.edu) and click Next.
4. Select Organizational account.
5. Log in with your UND email and password, then click Sign In.
6. The software is now activated.
