Obtain a Recording URL

1. Log into the Tegrity course at und.tegrity.com using your NDUS.identifier.

2. Place a checkmark next to the recording URL needed.

3. Click the Recording Tasks button and select Share Recordings in the dropdown.

4. A pop-up window will appear with the recording URL. Copy the URL and paste it where needed.

   - If there is a checkmark next to Do not allow anonymous users to view the recording, viewers will be required to log into Tegrity with their NDUS.identifier.

5. When done, click the OK button.
