Student Academic Services recently reached out to instructors and asked them to notify students in their courses who may be struggling with attendance or course performance early in the semester. I have been informed that you have received an early alert notification in one or more of your courses. With most of the semester remaining, it is a great time to reach out to individuals and offices on campus who are here to help you be successful both in and out of the classroom.

Please consider the following list of people/places available on campus, as well as your instructors, who are ready to assist or advise you in your academic and personal goals:

- **Academic Support**, 701.777.2117, 2891 2nd Ave., North, McCannel Hall, Room 180
