**IMPACT**

**IMPACT** is a highly specialized self-defense program based on the idea that learning is best accomplished by doing. A specially trained "mugger" instructor dons state-of-the-art customized padding so you can practice full-force defensive tactics. You will learn by fighting in scenarios that are as realistic as possible. It doesn’t matter what size or age you are, or what physical limitations you have; learn to protect yourself in case of an actual attack on your life. Not only will IMPACT...
embrace you with defensive skills, you will gain confidence by building a voice against violence. Take this class with your mother, sister, daughter, granddaughter or girlfriend. Together, you will learn simple and effective self-defense skills. It’s very important to attend all sessions as it is so much more than a physical self-defense class. Although the course is very physical, it is also emotionally intensive. The very first night you will learn ways to protect yourself emotionally, and the physical activities will follow.

Enter through the SW door, go to 3rd floor. Max 14 people/Min 8 people. Requires parking permit.

Tuesday, Sept. 9, Thursday, Sept. 11, Tuesday, Sept. 16 | 2:30 - 4:00 pm
Gustafson Hall, Lower Level
UND Campus | 3264 Campus Road
The Smithsonian American Art Museum has a long history of offering interactive, videoconference-based learning. Since 2000, the Museum has used this technology to connect its corps of volunteer videoconference presenters to learners of all ages. Picturing America: Artists give us a unique window on American life, reflecting the cultural, social, and political climate of the time in which they work. What can we learn about America through its art? OLLI members will examine America through the eyes of artists in three sessions, each focused on a separate era: Early America; Wars at Home and Abroad; and Contemporary Art.

EGF | 2122 River Road NW
Students will participate in an all-male a cappella chorus. The ensemble will sing music written in four parts and will be performed without the aid of accompanying instruments. Students will learn the fundamentals of correct singing (posture, breathing, phonation and registration). Private voice instruction will be available if needed. All music and learning recordings will be provided. The instructor will voice test the students to place them in the correct part.

Texas Tea and Natural Gas
With Drew Combs, Veteran OLLI Instructor
Session#: GF-0015 | $45
Tuesdays, Oct. 7, 14, 21, 28 | 1:30 - 3:30 pm
Gustafson Hall, Lower Level
UND Campus | 3264 Campus Road
This course will be series of lectures on the production and politics of international oil and gas production. The participant will be led through a virtual tour spanning time and space of the production of hydrocarbons, aka oil and gas. The class will delve into the history of hydrocarbon production, present day, and where we are headed with this. Ample time will be spent on not only our own backyard, the Williston Basin, but also those scattered across the globe. We will attempt to answer local questions such as why gasoline is so expensive in Bismarck and why the price of crude isn’t going down since North Dakota is supplying more to the market.

We will also attempt to answer questions like, when is Saudi Arabia going to run out of oil and how does the current situation in Ukraine affect the O&G industry? Also, we will get into the mechanics of what it takes to go two miles deep and extract one of the most used, but most controversial resources in the world.

This course will be delivered via the Interactive Video Network from Bismarck. West entrance from parking lot. Max 16 people. Requires parking permit. Arrive no later than 1:15 pm.

Taking Wing - Fall Migration in the Red River Valley
With Heidi Hughes, Veteran OLLI Instructor and OLLI Member
Session#: GF-0016 | $50
Field Days:
Wednesdays, Sept. 17, Oct. 1 | 8:00 am - 3:00 pm
This course will be delivered via the Interactive Video Network from Bismarck. West entrance from parking lot. Max 16 people. Requires parking permit. Arrive no later than 1:15 pm.

Classroom Days:
Wednesdays, Sept. 10, Oct. 8 | 9:30 - 11:30 am
REAC 1, Main Floor Classroom
UND Campus | 4201 James Ray Drive

Please arrive no later than 7:45 am. A map and directions will be sent to all who register.

For some birds, the drama of fall migration starts in early August. However, for most, movement peaks between August and October. Which birds migrate through the Red River Valley? Where’s the best place to see them? We’ll answer those questions and more with an introduction to migration, weather and the challenges of identifying songbirds in their fall plumage. We’ll head out to the flood control impoundments north of Crookston to look at waterfowl, songbirds and raptors. Then we’ll wrap up with a classroom session with a look at the winter migrants and the finch, waxwing and owl forecast for the region.

Classroom days require parking permit. (Photo credit: US Fish & Wildlife Service)
American Indian Stories - Traditions and Learning

Additive 3D Printing
With Scott Kerlin, Instructor in the Computer Science Dept. at the University of North Dakota
Session#: GF-0021 | $15
Monday, Sept. 15 | 10:00 am - Noon
REAC 1, Main Floor Classroom
UND Campus | 4201 James Ray Drive

Additive manufacturing, also known as 3D printing, is an emerging area of technology that has the potential to greatly change how the production and delivery of goods works. As the price of this technology continues to fall and the user-friendliness improves, more and more opportunities for the application of additive manufacturing are being presented. This lecture focuses on highlighting areas where additive manufacturing has just started to be used, how additive manufacturing works within these fields and what the new research means for our future. Primary fields to be highlighted are: medical industry, consumer products on demand, food industry, and disaster recovery.
Requires parking permit.

Wednesday, Oct. 15 | 5:00 - 7:00 pm
Gustafson Hall, Lower Level
UND Campus | 3264 Campus Road

This lecture will address the media coverage of the Bakken oil boom. Becker focused on related economic growth, social impacts and environmental cover-ups. Becker said these are the dominant media stories of the oil boom in North Dakota, but added that there are also untold boom stories, including stories on transparent business practices by oil companies.
West entrance from parking lot. Max 16 people. Requires parking permit.
From the Black Forest of Germany to the Steppes of Russia to the Plains of North Dakota: The Long Journey

With Dr. Kenneth Dawes, Professor Emeritus, Veteran OLLI Instructor

Session#: GF-0025 | $15
Wednesday, Oct. 15 | 10:00 am - Noon
Parkwood Senior Living | 749 S 30th St.
In this lecture, we will explore the devastating religious, economic and political circumstances that those Germans living in southwest Germany experienced at the time of Napoleon, the dangerous almost 2,000 miles journey down the Danube River to the Russian frontier, the insular German settlements in Russia, and then their trek west to America and North Dakota. It is a story of religious commitment, hope, and disappointment. We will focus on the “why” questions rather than the unique culture that was formed. Some of the personal experiences of the Buchfink family (Dr. Dawes’ wife’s family) will be used as illustrations. The Germans from Russia people have a proud and stirring history but it is little known to most North Dakotans despite the fact that they are the second largest ethnic group in the state.

Use entrance from south parking lot.

Grand Forks Parking Information

There is limited free parking in the immediate area of UND. Members using street parking can expect to walk up to three or four blocks. Some campus parking lots have metered parking that you may use. For a map of the entire UND campus go to UND.edu/discover/virtual-tour.cfm or call 1.800.225.5863 to have one mailed to you. An alternate choice is to purchase a special annual OLLI@UND parking permit for $25. This entitles members to park in any S, A or G lot on campus during each OLLI semester and special event. You may purchase your special OLLI@UND parking permit when registering for classes. The permit is only available through OLLI@UND.

Bismarck Parking Information

Most courses are held on the Bismarck State College campus, with classrooms located in the National Center for Energy (NECE) building on the 1st floor. Parking on the south side of the building and enter the entrance on the lower level. All location addresses are listed in the catalog under each course title. Parking on the BSC campus is free. BSC is under some significant construction so please check for construction zones and plan accordingly. For a map of the entire BSC campus go to bismarckstate.edu/about/campusmap/ or email bsc.ceti@bismarckstate.edu to have one mailed to you.
MEMBERSHIP FEES
The goal of OLLI@UND is to provide lifelong learning opportunities for mature learners while being a self-sustaining organization, advised by OLLI members, and supported through annual membership and course fees.

Fee structure:
- An annual membership at $35,
- Three year membership at $60. (HUGE savings!)

COURSE FEES
You must be a member of OLLI@UND to register for courses at discounted prices and enjoy the many FREE activities. Registration fees for courses range from FREE to $60. Please read the specifics for each course carefully as some course registration fees do not include lab/supply fees or required books.

DON’T WAIT, REGISTER EARLY!
If you already know what courses you wish to take, please register ASAP. Registering online allows you a better chance in securing your place in the course(s) before it fills.

PLEASE NOTE: All OLLI courses must have a minimum of 6 participants enrolled for the course to be offered. Please call the OLLI office prior to purchasing books or supplies for a given course. We cannot refund your purchases if the course is cancelled.

CANCELLATIONS AND REFUNDS
If you register for a course but will not be able to attend, please call us as soon as possible. We have many courses with waiting lists and we want to accommodate as many members as possible. If you need to withdraw from a course, you must call OLLI@UND at 701.777.3000 or 1.800.CALL.UND (1.800.225.5863) at least 7 calendar days prior to the course START date to receive a full course fee refund. No refunds are available for withdrawal notifications received 6 or fewer business days prior to the course start date. However, you may transfer to another course (space permitting).

WANTED! INSTRUCTORS & DISCUSSION LEADERS
Do you want to share your passion, develop innovative learning experiences and inspire others to learn without the burden of grades or homework? Go to UND.edu/OLLI/teach for more information about proposing an OLLI course.

WANTED! CLASSROOM ASSISTANTS
If you register for a course, won’t you consider being the Class Assistant for that course? Class Assistants arrive early to be sure the room is open, and all the lights are on. You will assist the instructor/discussion leader, helping to ensure that announcements are made, equipment is set up (training will be provided), and new member gifts and handouts are distributed. You will make introductions and enjoy becoming better acquainted with instructors and fellow class members.

SCHOLARSHIPS
OLLI@UND offers scholarships for those on limited incomes. We want to make our program accessible to anyone who has a desire to learn. Scholarships are available through a simple, friendly, and confidential process. For more information, please email Connie at connie.hodgson@UND.edu or call 1.800.CALL.UND (1.800.225.5863).

CLASSROOM DECORUM
If, in the opinion of the instructor or class members, a student interferes with the goals of learning, he or she may be asked to leave the class and ultimately may not be able to continue his or her affiliation with OLLI@UND. Remember to turn off cell phones and other electronic devices when you are in class. End times are approximate for offerings under Special Events.

EMERGENCY/INCLEMENT WEATHER INFO
Please pay close attention to the news media as they will always post cancelled classes for universities/colleges. If UND or BSC is closed for ANY reason, there will be no OLLI classes. When in doubt, please email Connie at connie.hodgson@UND.edu regarding cancellations at the OLLI site in Grand Forks. Email bsc.ceti@bismarckstate.edu regarding cancellations at the OLLI site in Bismarck. Please include your telephone number in the email. Your personal safety is our main concern. Make-up classes will be scheduled, and you will be notified of the new dates via e-mail or phone.
