☐ Student $25 (after May 23 add $5)

June 20 - Prop Based Play
☐ Non-Student $75 (after May 23 add $10)
☐ Student $25 (after May 23 add $5)
Need

The need for therapeutic interventions for children has risen dramatically in the past 10 years; unfortunately the number of clinicians trained to serve those children has not risen at the same rate. This often results in waiting lists, and at times, children whose therapeutic needs are not met. The goals of this conference are to build a foundation for increasing the number of clinicians trained in play therapy in the region and across the state of North Dakota, and to develop a collaborative network of child therapists.

Course Descriptions

**Fundamentals of Play Therapy - Day 1**
Learn the basic theories and premises of Play Therapy as a modality for working with children. Includes framework for assessment. Recommended as a building block for other conference workshops. 5.5 CEUs

**Child-Centered Play Therapy - Day 2**
Presents skill, values, beliefs, methods, and play theme interpretations in Child-Centered Play Therapy. 5.5 CEUs

**Cognitive Behavioral Play Therapy - Day 3**
Develop foundation knowledge in working with children using Cognitive Behavioral Therapy including the integration of play based interventions. 5.5 CEUs

**Prop-Based Play Therapy - Day 4**
Four experienced play therapists will team up to present effective prop-based play therapy techniques. 4 CEUs

**Ethics of Play Therapy - Day 4**
Discuss the unique ethical challenges that arise when working with children and families. 1.5 CEUs

Schedule

Registration and continental breakfast begin at 8:30 am daily. You will have lunch on your own Tuesday, Wednesday & Thursday. Friday lunch will be served during meeting to discuss becoming certified as a Registered Play Therapist and the development of a ND chapter of the Association for Play Therapy.
