

UND Admission Guidelines for Students Educated in United Kingdom

Please note: These are minimum requirements. The university reserves the right to enforce higher requirements as needed without notice to meet the university's enrollment needs.

Freshman Applicants

Minimum High School Course Preparation

- 4 years of English
- 3 years of Mathematics (including beginning algebra, geometry, and advanced algebra)
- 3 years of Science (including one year each of two of the following: biology, chemistry or physics)
- 2 years of Social Studies, i.e., economics, history geography, psychology, sociology, etc.

Minimum Academic Requirements

- Students are required to have a 5-6 GCSE passes in the subjects listed above with grades of A to C. At least two Bs are expected. NVQs (National Vocational Qualifications) do not meet the minimum high school course requirements.
- Students sitting for GCE AS/A-Level examinations must have at least two A-Level passes with grades of C or better in core subjects as listed above. Two AS-Levels (C or better) may be substituted for one A-Level.

SAT and/or ACT

- The SAT and/or ACT is not required for admission for students educated outside the US or Canada. However, to qualify for UND freshmen scholarship the SAT and/or ACT is required and a GPA that fits into the US admission scales.

Transfer Applicants

Minimum Academic Requirements

A minimum transfer cumulative grade point average of C (2.0) is required (out of a possible 4.00 on ISU scale) in all transferable courses.
