Confirm Your Enrollment*

Let us know you’re coming to UND! To confirm your enrollment for Summer and/or Fall 2017, you must pay a $200 non-refundable deposit by the May 1 priority deadline. The deposit is a down payment applied toward future charges on your UND bill, such as tuition or fees.

You’ll need to pay the deposit before you’ll be eligible to register for classes, receive a housing assignment or access your health portal, so it’s best to confirm your enrollment as soon as possible.

You can make your online payment through Campus Connection via e-check from a U.S. bank (free service) or credit card (2.75% convenience fee). It may take up to 2 business days for the deposit to be processed, so make sure you pay the deposit far enough in advance.

Visit go.UND.edu/2017 for step-by-step instructions on paying your deposit for Summer and/or Fall 2017.

IMPORTANT! Non-degree-seeking students are not required to pay the deposit.

View Your Registration Time in Campus Connection*

Find your registration time in Campus Connection beginning Tuesday, April 4, 2017 (at least 2 business days after paying your deposit). Your registration time is based on the number of college credits you’ve completed. You may register for classes anytime on or after your registration date and time, so it’s important that you complete all the orange items marked with an asterisk (*) before this date. Within Campus Connection, view Enrollment Dates (right side of page) and click “details” to find your registration date and time.
○ Send College Transcripts or Scores to UND (If Applicable)*

Don't pay for college twice! Before you register for classes, it's very important that advisors are aware of any college-level credits you may have earned while you were in high school or college. If we don't have your official college transcripts, the college credits you've already completed won't be transferred to UND.

If you have any updated or final college transcripts since you've applied to UND, you must ask the college or university where you earned the credit to send your official transcript directly to:

UND Office of Admissions
3501 University Avenue, Stop 8357
Grand Forks, ND 58202-8357

Advanced Placement (AP) Credits
In order for UND to apply Advanced Placement (AP) credits appropriately, please ask the College Board to send your scores directly to UND (1.888.225.5427 or apscore.collegeboard.org/scores).

College-Level Examination Program (CLEP) Credits
The College-Level Examination Program (CLEP) provides credit by passing appropriate CLEP Subject Exams. For more information, please contact UND Testing Services at 701.777.4157 or visit UND.edu/testing.
