Ingredients:
- 3 small soft tortilla rounds (less than 6 inches)
- 6 Tbsp. yogurt (2 Tbsp. each)
- 1 cup mixed fruit (1/3 cup each)

Directions:
1. Dice fruit and set aside.
2. Pre-heat the oven to 350 °F.
3. Spray the cooking spray onto the muffin pans (either side of the pan will work). Place the small soft round tortillas in the crevices. Place in the oven for 15 minutes. If more time is needed, allow for a few extra minutes to reach a light crispy form. Remove from oven once baked and allow for a few minutes to cool (2-3 is adequate).
4. Scoop 2 tablespoons of yogurt into each cup.
5. Add ¼ cup of fruit to the cup.
6. Serve and enjoy!
