- CMSgt Brian Thomas – GFAFB Command Chief
Metric

A 25% increase in credit hours earned by active duty military personnel, veterans and their families by 2022
Student Credit Hours

2016/2017 average 12,650 credit hours per semester
25% increase is 3,160 increase per semester
Student Enrollment

- Active Duty – average 5 credit hours/student
- Veterans – average 9 credit hours/student
- Dependents – average 14 credit hours/student
- ROTC – average 16 credit hours/student
Goal 6 Action Items

1. Create online undergraduate programs, certificates and master’s programs aimed at military personnel, veterans, and their families

• Identify high demand degrees and certificates for military personnel, veterans and their families and review UND’s existing online programs, certificates and master’s programs

• Work with Goal 3 team to initiate high demand degrees and certificates aimed at military personnel, veterans and their families
Goal 6 Action Items

2. Create pathways, reduce barriers for entry to UND
   - Develop transfer credit equivalencies for military experience based on American Council on Education (ACE) recommendations

3. Promote accessibility and flexibility of programs
   - Develop a targeted marketing plan for military personnel, veterans and their families
Goal 6 Action Items

4. Become designated as an “Air University” by the U.S. Air Force
   - Identify and develop ten UND degree programs for inclusion in the Air University-Associate to Baccalaureate (AU-ABC) program
Next Steps & Future Items

Next Steps

- Continue to develop project plan
- Continue to work on action items
- Work with colleges and divisions as they implement action items centered on Goal 6 of the Strategic Plan

Future Items

- Participation in Credentialing Opportunities On-Line (COOL)
- Inclusion in Servicemembers Opportunity College (SOC) and ArmyU
- Process improvement and retention
