Results compared to UND overall:

The following results indicate top areas where students with majors in the College of Education & Human Development answered significantly differently than all other UND students.

Red results indicate that the average Education & Human Development response was lower than other UND students. Green indicates a higher response. The mean difference indicates the extent to which the average Education & Human Development response differed from all other students’ average. The scale for each response is listed next to the title for that question (i.e. scale of 1 to 5, 5 is the highest, 1 is the lowest).
