SPECIAL DENIM DAY
for
NATIONAL DISASTER RELIEF

Friday, Feb. 5, 2016

The UND Staff Senate Denim Day Committee sponsors a yearly special Denim Day to provide support and assistance to communities affected by natural disasters. All proceeds will go to the Salvation Army’s disaster relief efforts in the United States.

A special Denim Day will be held in the fall for international disaster relief efforts, and those proceeds will go to the American Red Cross.

Give what you can to your Denim Day site coordinator
