SECTION 6: STUDENT ORGANIZATIONS

6-7 STATUS OF RECOGNIZED STUDENT ORGANIZATIONS AND GOVERNING COUNCILS

A. A recognized student organization or governing council will be considered in Good Standing when it fulfills the responsibilities of recognized student organizations and governing councils as described in Section 6-6 of the Code.

B. A recognized student organization or governing council will be designated Inactive during any semester when an Officer Roster Card is not submitted to the APD and a copy of its current constitution is not on file. Organizations designated as inactive will not be entitled to the rights or privileges of student organizations while inactive. An inactive organization may return to good standing by submitting the necessary materials to the APD.

C. An organization failing to comply with Section 6-6 of the Code may be recommended by the APD for dissolution by the Student Policy Committee. See Section 6-10-B-1 of the Code. Dissolved student organizations no longer have recognition by the University and are no longer eligible for University services or funding through Student Government.

D. Any existing funds in an on-campus account of a dissolved student organization will be transferred to a general student leadership account at the time of revocation.

E. Should a Dissolved organization complete the recognition process within twelve (12) months from the date of dissolution, funds that were in the on-campus account at the time of dissolution will be returned to the organization. Beyond twelve months, however, the funds will not be returned.

F. Members of a Dissolved student organization who wish to become a recognized group again must apply for recognition as a new student organization as described in Section 6-4 of the Code.
