SECTION 8: STUDENT RECORDS

8-5 LAW ENFORCEMENT RECORDS

Records generated by University Police Department personnel are assignable into two categories: administrative and law enforcement. Some records may be assignable into both.

A. Administrative records, including those created by University Police Department personnel, are maintained for the benefit and purposes of the University of North Dakota, and include those referred to the Dean of Students, Housing, or other offices for educational purposes, such as disciplinary action(s) (see Section 2), are Educational Records (see Section 8-3 of the Code).

B. Law enforcement records, which for this section are those records submitted to the States Attorney’s Office (North Dakota Century Code, Chapter 11-16) or other criminal court division. Law enforcement records are subject to the North Dakota Open Records laws (North Dakota Century Code, Chapter 44).
