Accessing likely impact the look and feel of some pages, and could result in slower browser performance. Access is not blocked. It is highly recommended that IE7 users upgrade to Internet Explorer 8 (IE8) or above. Performance, page renders and above.

**Mandatory Nefind Message**
Mandatory participation in Nefindwill begin Thursday, February 7th.
Last fall, the North Dakota Student Association (NDSA) approved revising the Emergency Notification Policy to reflect a students threat at NDSS and lower than expected participation in the system. Regular student participation is not only required but mandatory. Campus must test Nefind each semester.
