5 Send college-level transcripts or scores to UND (if applicable)

When you begin to register for classes at UND, it's important that advisors are aware of any college-level credits you may have earned while you were in high school through dual credit or post-secondary enrollment options (PSEO). If you want to have your credits evaluated for transfer to UND, please ask the college or university at which you earned the credit to send your official transcript directly to:

UND Office of Admissions
3501 University Avenue, Stop 8357
Grand Forks, ND 58202-8357

Please request that your official transcripts be sent directly to UND **at least 2 weeks prior** to your Orientation date, or bring your transcripts with you to Orientation.

ADVANCED PLACEMENT (AP) CREDITS

In order for UND to apply Advanced Placement (AP) credits appropriately, please ask the College Board to send your scores directly to UND (1.888.CALL.4.AP or apscore.collegeboard.org/scores).

COLLEGE-LEVEL EXAMINATION PROGRAM (CLEP) CREDITS

The College-Level Examination Program (CLEP) provides credit by passing appropriate CLEP Subject Exams. You may apply these credits toward Essential Studies requirements, specific major requirements or use them as elective credits. For more information, please contact UND Testing Services at 701.777.4157.

During Orientation, you'll meet individually with an advisor, while your parents attend Parent Orientation. As you begin your college career, it's important that you register for classes on your own with the guidance of advisors, so you can make your own decisions about your academic future. By being self-sufficient, you'll feel more confident in your decision-making abilities, and you'll have a more positive academic experience at UND.
