Dru’s Legacy ~ A Mother’s Quest

Linda Walker is the mother of slain UND Student, Dru Sjodin. In November 2003, Dru was kidnapped, raped, and murdered by a repeat sex offender. Since losing Dru, Linda has made it her mission to speak out against sexual violence, strengthen sex offender laws, teach children how to protect themselves, and to advocate for victim’s rights.

She has lobbied Congress and crisscrossed this country with her message.

As keynote speaker at this year’s “Take Back the Night” rally, she will tell her story, how far we have come, and how far we still have to go. It’s Linda’s prayer that through her work Dru’s memory will live on and result in safer communities for society’s most vulnerable, our children.

Every University of North Dakota student has the right to pursue their academic, social, and work activities without fear and intimidation. While any form of unwanted sexual behavior and violence can be difficult to discuss, these issues are unfortunate realities existing within all campuses and communities. At UND, we are committed to providing optimum information and resources to educate our students, faculty, and staff about sexual violence prevention and awareness.

Title IX of the Education Amendments of 1972 (“Title IX”), 20 U.S.C. §1681 et seq., is a Federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. All public and private elementary and secondary schools, school districts, colleges, and universities receiving any Federal funds must comply with Title IX. Under Title IX, discrimination on the basis of sex can include sexual harassment or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.

In 2012, UND established the Committee on Sexual Violence. To learn more about the committee, UND policies and procedures, please contact the Dean of Students Office at 777-2664 or contact Julie Evans, Acting Affirmative Action Officer for UND at 777-4171, or Kay Mendick at the UND Women’s Center at 777-4300.

If You Would Like to Make a T-Shirt

If you are a survivor of violence and want to make a T-shirt for the display or would like to make a shirt for a loved one who has died as a result of interpersonal violence, the Women’s Center can help.

We will provide you with a shirt in the color of your choice. Stop into the Women’s Center, email us, or call to request one. You can then take the shirt home and return it when you are finished. This is your process and your experience, so take all the time you need. Shirts will also be available during the display of the project.

Remember we are here to support you in any way we can.
Suggested donation for book is $5. All proceeds go to: Prevent Child Abuse North Dakota.
