Dakota.

We are the original university.

The first question to be considered is whether it is necessary to have a nickname.

Why do we need a nickname? What's wrong with The University of North Dakota?

I would rather have no nickname than a bad one.

This is a big issue, full of emotion. President Kelley wants a recommendation by Dec. 21. I recommend that no decision be made for 5 years. Many of us, including many of the Sioux nation, were stumped by the loss and are just now beginning to accept it.

There will always be unhappy people - at some point you need to just pick and get on with it.

We are past UND Letter winners, present students, student athletes, and faculty.
