Register now!

Space is limited, so be sure to register early. Registration will continue until June 30th or until the session is full.

A look under the hood of the Society of Automotive Engineers’ Formula-1 Car.

This program is sponsored by the UND College of Engineering & Mines

Experience Engineering is a week-long residential summer camp for students entering grades 9-11. Participants will take part in activities across the spectrum of engineering offered at UND: chemical, civil, electrical, geological, mechanical, and petroleum. The focus will be hands-on activities and active learning including metal casting, fabrication of composites, computer simulation and chemical analysis. Social events will be scheduled for the evenings.

Session size is limited to 20 participants.

Experience Engineering is a residential engineering summer camp at University of North Dakota, July 19 - 24, 2015.
Participant Information
Please print clearly with dark ink.

Participant’s Name: ________________________________________ Male/Female: ___

Participant’s Address: ________________________________________

City: ________________ State: ______ Zip: __________ Home Phone: ____________

Age: ______ Date of Birth: __________ Grade Entering Fall 2015: ______

E-Mail Address: ______________________________________________

Parent/Guardian Information

Name: ___________________________________ Relation: __________

Home Phone: ____________________________ Cell Phone: ________________________

Registration Information

Commuter - $275
Residential - $375

Please return the completed registration form by June 30th along with a check payable to ‘UND’ to:

Summer Programs & Events Office
Attn: Experience Engineering
3264 Campus Road, Stop 9021
Grand Forks, ND 58202-9021

Check # ___________________________ is enclosed for $ ___________________________

Within about two weeks, you should receive confirmation of the receipt of your registration and additional information about the camp. See you July 19 - 24, 2015.

Cancellations: Cancellations can be made by completing a withdrawal form at www.conted.und.edu/secure/withdrawal/ (you will need your confirmation email receipt number to complete the process). If the cancellation notice is received by one week prior to the start date, you will be refunded your registration fee minus a $35 processing fee. No refunds will be given AFTER one week prior to the start date. Substitutions can be accommodated by contacting Brenda Dufault at 701-777-0841.

Questions? Contact Dr. Matthew Cavalli @ 701-777-4389 or und.engineeringcamps@und.edu.
