- Learn more about how CSEC impacts youth development and how to meet survivors where they are.
- Review Stages of Change model of service delivery, techniques of Motivational Interviewing and practice strategies.
- Incorporate trauma informed care and victim centered approaches into interactions with survivors.
- Discuss trauma triggers and advanced safety planning.
- Suggest how to deal with vicarious trauma and take care of yourself.

Erin Knowles Wirsing is the DELTA Program Manager for commercially sexually exploited children (CSEC) at Devereux Florida. She has worked with trafficked persons since 2006, and currently provides advocacy for children and youth who have survived commercial sexual exploitation. Her role includes the support and implementation of CSEC programs across the Devereux continuum of care, to include residential, foster care and wrap-around services. Additionally in this role she serves as a trainer to professionals and foster parents.
