

GUIDE TO FILING FORM I-765 ONLINE

STEM EXTENSION OPT

After reviewing the STEM OPT Extension Instructions and receiving the STEM OPT Extension I-20 from UND ISSS, F-1 students must submit their Form I-765 STEM OPT Extension application to USCIS for adjudication. USCIS must receive the Form I-765 and supporting documents prior to the student's OPT EAD expiration date.

It is the student's responsibility to ensure the Form I-765 is completed fully, accurately, and includes all required document uploads before submitting their application to USCIS.

Effective April 12, 2021, F-1 students seeking OPT approval can [file the Form I-765 online](#) via [myUSCIS](#). The online filing option allows F-1 students to apply for the STEM Extension OPT EAD, request a Social Security Number (SSN) (if needed), upload supporting application documents, pay the \$410 filing fee, track the status of their application, communicate with USCIS through a secure inbox, and respond to Requests for Evidence (RFE).
