

Why do students take Self-Paced Enroll Anytime Courses?

Student Testimonials from Course Enrollment Survey “Reason for taking this course”

- Could not fit it in my studies at my college
- Need one last credit to graduate
- Needed a flexible course that I could take while working
- To finish a school nurse certificate while still being able to work full time
- I am a senior in high school and wanted to gain college credit
- Fulfill requirement for graduate school application

“I was forced to withdraw from on campus courses half way through my first semester because of a major surgery but online Self-Paced Enroll Anytime classes have enabled me to keep up with the rest of the UND Class of 2018.”

- This course was full at my university
- It is convenient
- To fulfill an Essential Studies requirement
- To freshen up on my skills
- To transfer towards my graduate degree
- I wanted to keep on track with my majors course schedule
- More flexible option than an in-class setting

“I took this class so I could have more time to study the information and get additional help so I could pass the class.”

- To accelerate my graduation time
- I wanted to retake the course before applying for PA school
- This course is required for my degree, but not offered at my university
- Prepare for state exam
- I need extra business hours to qualify for CPA exam
- To fulfill continuing education requirements so I can renew my MN math teaching license in 2018
- To better communicate with Spanish speaking agricultural employees
