

Assessment Cycle 2022-23 (Academic Programs)

Unmanned Aircraft System Operations BS

Mission

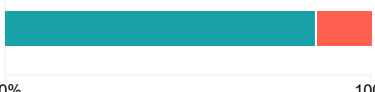

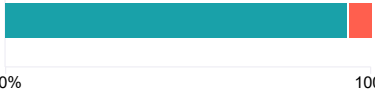

The primary mission of the Unmanned Aircraft System program is to serve the Department of Aviation, the John D. Odegard School of Aerospace Sciences, the University of North Dakota, the North Dakota State University System, and the State of North Dakota. The secondary mission of the UAS program is to propose and engage in UAS research, education, and training endeavors to enhance opportunities for students and faculty, and to ensure a perpetual state-of-the-art UAS program.

Academic Year 2022-23

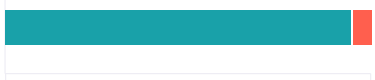

Unmanned Aircraft System Operations BS Learning Outcomes

UAS SLO #1 **MET**

Be able to demonstrate crew performance and coordination in UAS operational environments while applying problem solving skills and an in-depth understanding of the operational, regulatory and safety environment of the National Airspace System.

MEASURES	RESULTS	ACTIONS
