

Transfer Guide

University of North Dakota and Hibbing Community College

Hibbing, MN

Degree: Bachelor of Science

Major: CHEMISTRY (BIOCHEMISTRY OPTION)

The following information was updated according to the 2019-2020 UND CATALOG - Students satisfactorily completing the courses below may transfer them to UND in fulfillment of the corresponding course requirements for this degree. Essential Studies equivalencies, courses, and major requirements may change. An official evaluation of transfer credit will be done upon admission to the university. Transfer credits will be evaluated and applied according to the current catalog and the approved Essential Studies list at the first semester of enrollment at UND.

Students planning to transfer to UND are encouraged to have phone or email contact with a UND adviser. Students may call the Advising Office at 1-800-CALL-UND ext. 4974 or (701) 777-4974.

Students must have completed a full year of general physics before beginning their junior (third) year chemistry classes. Pre-professional students should consult the UND Health Sciences advisor for more information.

HCC students should check with an advisor for help in determining how HCC courses fit into UND categories of social science, arts and humanities and math, science & technology.
