

Transfer Guide

University of North Dakota and Northland Community & Technical College

All locations, MN

Degree: Bachelor of Science

Major: CHEMISTRY (BIOCHEMISTRY OPTION)

The following information was updated according to the 2019-2020 UND CATALOG - Students satisfactorily completing the courses below may transfer them to UND in fulfillment of the corresponding course requirements for this degree. Essential Studies equivalencies, courses, and major requirements may change. An official evaluation of transfer credit will be done upon admission to the university. Transfer credits will be evaluated and applied according to the current catalog and the approved Essential Studies list at the first semester of enrollment at UND.

Students planning to transfer to UND are encouraged to have phone or email contact with a UND adviser. Students may call the Advising Office at 1-800-CALL-UND ext. 4974 or (701) 777-4974.

Students must complete a full year of general physics before beginning their junior (third) year Chemistry classes.

Students planning a professional program in the health sciences should call UND's Health Science advisor at the number above and should also access the UND Web page: www.und.edu (under A-Z Index, click on "P" for Pre-Health and other headings.)

NCTC	Course/Credits/Title	UND	Course/Credits/Title
