

Senate Budget Committee update 8/25/17

This is the third of occasional summer updates that will help keep you informed of budget-related developments on campus. Bi-weekly updates will resume as the Senate Budget Committee reconvenes for the fall.

The SBC received six budget-related comments through the University Senate's [Feedback and Suggestions website](#). Topics include more on MIRA, tuition increases, more on Hyslop pool, Finance and Administrative (F&A) costs, UND email accounts, and campus footprint. Read comments and responses on the University Senate [Budget Information page](#).

Budget-related developments:

- The University Council will meet August 29 at 3 pm in the Memorial Union Lecture Bowl. For agenda see the August 23 [University Letter](#).
- MIRA Magnified is a new feature on the [MIRA website](#) to help keep the university community better informed about complex aspects of budgeting and resource allocation. [MIRA Magnified: F&A Costs](#) describes how Finance and Administrative costs are distributed.
- The Office of the Vice President for Research and Economic Development is no longer providing funding for the Senate Scholarly Activities Committee to distribute travel awards for public scholarship. An explanation is posted on the [SSAC website](#). Those seeking travel funds should explore similar opportunities within their home college.
