Ms. Krenelka and Mr. Mochoruk provided an update on the UND Strategic Planning progress report. The personal for the committee has been selected, there are 16 members on the committee and the committee is meeting weekly. Used the open forum that was held to gather questions that were used to draft a qualtric survey. The questions also include comments from Informed by One UND, taskforces and also feedback from the UND community. A retreat was during spring break for our workgroups and they are now seeking campus wide involvement. 7 workgroups were formed for the process. 1 - Creativity, discovery, innovation, 2 - collaboration and engagement, 3 - valuing employees, 4 - climate and culture, 5 - equity and inclusive excellent, 6
student success through academic excellent and 7 student success beyond the classroom. Received feedback from executive council and added the feedback to the workgroup areas. Members were chosen for each workgroups.

Next steps: Collaboration and work between the groups is happening and will be encouraged. The group will be having a retreat by the end of August. In September they will have a draft of the strategic plan. They will then present the complete draft at UND town hall around mid-October and get public comments. Then they will spend November and December producing final draft, then it goes to President Armacost for his recommendations.

For more information, please visits the website for the UND strategic plan.

Those with the Green Bandana will signify as a resource for students in need. Hopefully it will help to improve mental health on campus. The John House fund is helping to pay for the materials. 15.

Ms. Oancea reported from the Senate Executive Committee.
The committee met in March and discussed issues by faculty and student’s regarding Psychological advice/ counseling for outside ND/long distance faculty, staff and students as well as international students.

They also passed UND’s Resolution on Defending Academic Freedom (See attached, including the CCF Resolution on Defending Academic Freedom. Senate Executive passed the resolution in March for defending Academic Freedom. See attached document to minutes for both UND and the NDUS System.)

16.

The 20 minute question and answer period began at 4:11pm.

Tom Petros asked the intention of these resolutions. We are not going to demand but ask for the resolution to be considered. We may send to the Chancellor, if need be. Lewis Liang asked what is the Green Bandana program and who is it for, students only, but can faculty and or staff members participate. Kaelan Reedy will make sure that faculty and staff can participate in the program. Melissa Gjellstad - for Ms. Krenelka and Mr. Mochoruk - if you are working through the summer months, how are faculty going to work on the project if they are not on contract during the summer months. Mr. Mochoruk stated we are trying to get most of the work done during the academic year, not summer. They will be using nontraditional meetings, etc., for the plan. Ms. Gjellstad are you paying the faculty, etc. to work during the months when they are not on contract. Mr. Mochoruk, we are working on getting a stipend to help with the members that are only on a 9 month contract. They have gotten positive feedback but have nothing confirmed. Elizabeth Legerski – President Armacost question – I heard about a study of pay and salary for faculty and staff across campus? More details would be great. Jed Shivers stated that the initial compensation relates to faculty and will be working with the provost office and HR to work on this project. He cannot comments on any specific details as it is being driven by the Provost. Andre Kehn announcement holding a budget presentation and how it interacts with grants and contracts on April 20, 2022 from 1-2 PM.

The question and answer period ended at 4:20pm.

Faith Wahl had an update from the student perspective from ND Student Association. Wants to thank everyone for working on this resolution. Faith Wahl made a motion to support UND Resolution on Defending Academic Freedom. Bret Weber seconded the motion with the friendly amendment. The motion carries 90% yes, 8% no 2% abstain. Tom Petros reiterated that we bring this to the Chancellor and that he is willing to assist with this. Bob Newman also reiterated what Tom Petros said.

23.

Runoff vote for tie for one person from the College of Nursing and Professional Disciplines to serve on the Library Committee. Mark Jendrysik made a motion to accept the vote. Janet Jedlica seconded the motion. Tracy Ledall is the new member on the committee.

24.

INFORMAL pool on continuing USenate meetings via Zoom during the 2022- 2023 academic year. Barry Milavetz made a motion to approve the vote. Colt Iseminger seconded the motion. Lewis wanted to know if we could do both online and in person and would make a friendly motion to the vote. Technically it is possible to do both in person and remote voting for the Senate meetings. Ms. Marasinghe will look into these options. Also what about participation, the zoom participation is much higher than in person participation. There were comments in favor of both ways of participation. The poll has been updated:

Online only – Zoom – 18
In Person Only – 8
Hybrid – 78
Abstain – 0

Thank you very much for your input on this subject.
The meeting adjourned at 4:48pm.

Section 6(b)(ii) states: “The Board may, following review and recommendation made pursuant to the procedures established at an institution award tenure in exceptional circumstances, defined by the institution’s procedures, to an institution’s chief academic officer or to any other person appointed to the faculty who has not met the eligibility requirement of subdivision 5(c) of this policy, provided that person, at the time tenure is granted, has: (1) held a tenured appointment at another institution, or (2) been a faculty member at the institution for at least one prior academic year.

Section 6(b)(iv) states “The SBHE may award tenure to any individual appointed to the faculty who has not met the eligibility requirements of subdivisions 5(b) and 5(c) of this policy in exceptional circumstances, defined by the institution’s procedures, following review and recommendation made pursuant to the procedures established at an institution. D. Elected Chair
Kathy Smart (2021-2022)
Associate Professor
Teaching & Leadership
kathy.smart@und.edu
701.777.2120
To: Cristina Oancea, Chair of the Senate 2021-2022  
From: Andre Kehn, Chair, Senate Scholarly Activities Committee (SSAC), 2019-2022  
Re: SSAC Annual Report, 2021-2022  
Date: April 13, 2021

During the 2021-2022 academic year, the committee met 3 times. It consisted of:

Andre Kehn, Chair (A&S),  
Patrick Luber (A&S),  
David Hollingworth (BPA),  
Xuesong Chen (SMHS),  
Melanie Nadeau (SMHS),  
Zachary Waller (AVI),  
Seong-Hyun Nam (BPA),  
Vasyl Tkach (A&S),  
Zeineb Yousif (LIB),  
Justin Berg (VPRED),  
Karyn Plumm (VPAA)

The committee had several discussions concerning the implementation of the modified charge of the SSAC that was passed by the committee during the 2020-2021 AY. The discussions centered around how the SSAC could support faculty research and development without engaging in redundant activities of other units on campus (e.g., VPR, ATC). The committee chair, Andre Kehn, met with Anne Kelsch during the fall semester to discuss ways in which the committee could assist new faculty (such as those attending the Alice T. Clark Program) in their research and scholarly activities.

The committee agreed that presentations and workshops centered around grant funding (broadly defined) would be a fruitful initial first step in how the SSAC could impact the research and scholarly activities of the campus community. As such, the SSAC was able to organize (in collaborative work with Justin Berg from the VPR office) a grant budget presentation by Karen Katrinak on April 20th, 2022. The event is planned in a hybrid format (in person and via zoom) and will focus on common issues and questions concerning budgets, such as direct and indirect cost, how to account for graduate research assistants, Novelution, and grants.gov. The committee hopes this will ignite future presentations and possible workshops given by individuals from within and outside of UND to provide UND faculty with relevant information concerning their research and scholarly endeavors.

As this is my last year on the SSAC, Zachary Waller has agreed to be initial contact for the Senate and call the first meeting in the Fall of 2022. However, this does not commit Zachary to act as the chair of the SSAC. The chair of the committee will be determined during the first meeting of the new semester.

Respectfully submitted,

Andre Kehn
