7.

Ms. Vogeltanz-Holm reported on the October 18, 2017 Senate Executive Committee (SEC) meeting. She stated that the Provost has advised that an Administrative Evaluation Procedure draft has been created. The Provost has also advised that faculty travel data has been collected and will be shared with the Budget Committee, the Senate Executive Committee and Senators. The SEC has commenced reviewing the UND Constitution. The SEC supports the Faculty Handbook Committee's decision to update the Senate yearly. SEC members agree that Essential Studies Committee activities should be reviewed by the Senate.

8.

The 20-minute question period opened at 4:01 p.m.

Mr. Petros asked if the Title IX training notice was widely distributed. It was concluded that it was.

Ms. Weaver-Hightower asked if the study of travel costs would include evaluating how much conferences cost today. Ms. Vogeltanz-Holm stated that there is not a lot of time or resources to devote to this endeavor, but that she plans to ask the Budget Committee to review this issue and would pass along this suggestion.

Ms. Christopherson yielded her time to Mr. Sheridan. Mr. Sheridan asked if changes, such as those proposed by the Essential Studies committee, had sufficient evidence to support their use. He also asked if high impact practices would be suggested or mandatory for faculty. Ms. Vogeltanz-Holm stated that this concern has been raised to the Essential Studies Committee chair and Program Director. Mr. Petros asked about the efficacy of high impact practices. Ms. Vogeltanz-Holm stated that we should examine the evidence base for proposed changes and the effectiveness of curricular change outcomes.

Mr. Oncel commented that the UND website main page only showed students having fun. He wondered why more educational/academic opportunities were not shown. Ms. Vogeltanz-Holm agreed that we should be promoting opportunities that are more educational. Mr. Jendrysik inquired about the website not being

mobile friendly as well as Blackboard downtime and internet problems. Mr. Bachmeier stated there is a website overhaul underway. Mr. DiLorenzo stated that April would be the launch of the mobile-friendly website. He also stated that the President and Provost have been working with the NDUS Chancellor to help resolve problems with Blackboard and internet downtimes.

Ms. Weaver-Hightower inquired as to what the Senate Scholarly Activities Committee (SSAC) is doing now that they do not award faculty travel funds. Ms. Vogeltanz-Holm stated that there have been communications with SSAC and the Faculty Instructional Development Committee chairs and with the Senate Budget Committee to continue discussing solutions.

Mr. Gedafa asked why the parking lots are in poor shape and if maintenance for the lots is planned. Mr. DiLorenzo stated that we should invite Mike Pieper, Associate Vice President for Facilities, to a future meeting to give an update. Ms. Vogeltanz-Holm said that the Senate Committee on Committees would be appointing a faculty member to the committee studying these activities.

The question period was closed at 4:21 p.m.
