Academic Sessions | 10 a.m. or noon
Learn more about UND’s world-class academic programs by attending the academic session you’re most interested in. Can’t decide? Make time to attend one at 10 a.m. and another at noon!

Aviation Briefing
If your dream is in the clouds, find out just how far it could take you with a degree from the world-renowned John D. Odegard School of Aerospace Sciences. The sky’s the limit whether you’re thinking of a career as a commercial airline pilot, astronaut, meteorologist, Earth system scientist or want to work in airport management. Or, maybe you want to be among the first generation of unmanned aircraft specialists to graduate from the university that started it all. NOTE: The Aviation Briefing will run from 1 – 4:30 p.m.

Arts & Humanities
Discover the past and explore the future with UND’s arts & humanities programs. This session is for you if you’re interested in American Indian studies, history, English, languages, philosophy & religious studies, art & design, music or theatre arts.

Business & Public Administration
Thousands of UND graduates already have seen a top return on their educational investment with a degree from one of the premier business schools in the nation. You can do the same by taking the first step. Explore 15 different undergraduate programs, including majors in everything from accountancy to marketing and entrepreneurship to investments and political science to public administration.

Education & Human Development
Do you want to be the one to teach tomorrow’s leaders the skills that drive the world forward? Our 17,000-plus alumni sit at the head of the class with rewarding careers in K-12 and higher education, as well as jobs in counseling health, public health, fitness and sports performance and human development. Find out how our hands-on and experiential learning develops some of the best and the brightest.

Engineering & Mines
Are you naturally curious? Always asking, “How does that work?” If so, you might belong in this session. Here you’ll learn about UND’s highly accredited engineering programs — chemical, civil, electrical, geological, mechanical and petroleum. Plus, other majors in computer science, cyber security, data science, geology and environmental geoscience. We’re all about small class sizes, strong core programs and plenty of practical experience.

Medicine & Health Sciences
So you have a passion to heal the masses? We offer North Dakota’s only four-year doctor of medicine degree. We also offer professional degrees in medical laboratory science, sports medicine, public health, physician assistant studies and both physical and occupational therapy. You may not know it yet, but with millions of annual research dollars, it might be you who discovers the next great medical breakthrough.

Nursing & Professional Disciplines
Our graduates go on to improve the health and well-being of people and whole communities in the region and beyond. You can pursue a degree in a number of nursing programs, including BSN, RN to BSN, nurse anesthesia, family nurse practitioner and psychiatric and mental health nurse practitioner, just to name a few. We also offer programs in nutrition and dietetics as well as social work.

Science, Social Science & Math
Let your curiosity take you places you might not expect and find out how you can make your impact on the world with the knowledge and skills needed to make it better. Explore majors including mathematics, biology, physics & astrophysics, communication, anthropology, criminal justice, geography, communication sciences & disorders and sociology.

Please meet on the main floor of the Chester Fritz Auditorium at the top of the hour to be escorted directly to the session locations in academic buildings across campus.
Accommodations
Joining us from out of town? Several hotels are conveniently located near campus. Visit www.visitgrandforks.com for more information.

Free Parking
Prior to the event, you were emailed a UND Parking Permit for your campus visit. Please place the visitor permit in the lower left-hand corner of your dashboard, which allows you to park for free in the following lots:
- Gorecki Alumni Center’s “Reserved for Visitors” Lot
- Any lot marked with “A” (red), “S” (blue) or “A/S/H” (brown) sign. You’ll find plenty of parking behind the Chester Fritz Auditorium in these lots.

Please note that the visitor permit is not valid in the following spaces:
- Parking Meters
- Service and Maintenance Vehicles
- Reserved Parking

Shuttle Bus
Most sessions are within walking distance, but transportation is also available. Look for the UND Open House shuttle bus that runs continuously between the Chester Fritz Auditorium, Wellness Center, New School of Medicine & Health Sciences, UND Bookstore / Ralph Engelstad Area, Columbia Hall and Memorial Union.

Welcome Center
You’ll begin your day at the Chester Fritz Auditorium, and event ambassadors will be on hand throughout the day to answer questions, provide directions and get you where you want to be. Look for the people wearing UND name tags or green UND polo shirts!

UND Bookstore & Ralph Engelstad Arena
Be sure to swing by the UND Bookstore, REA Sioux Shop or the Green Room in the Memorial Union to pick up some new UND Fighting Hawks swag.

Getting Around
A map is included here to help you find your way around campus during the event. There’s plenty to experience while visiting, so wear comfortable walking shoes and dress appropriately for the weather (hint: layers are good!).

Be Social!
Share your UND experience! Take a picture or video and post it using #UNDProud and you may see yourself on the UND website: UND.edu
