

# INTRO TO Unity

WILL BE HELD ONLINE EVERY  
SECOND TUESDAY OF THE MONTH

## Overview

Native American children have many unique issues and challenges. This training educate current and potential foster parents for their critical role as caregivers for these children. In Native cultures, children are considered sacred beings. The underlying philosophy of this training is to help children grow to meet their potential in mind, body, spirit, and emotions.

*This three hour training will include the basics in the following areas:*

- Foster Parent Orientation
- Human Growth and Development
- Attachment and Loss
- Protecting, Nurturing, and Meeting Needs Through Discipline
- Historical Trauma and Intergenerational Grief
- Effects of Addiction on Children
- Child Abuse/Neglect and Sexual Abuse
