Affiliates@UND Form

An affiliate of UND is an individual brought to the campus at the request of a UND sponsoring department. The sponsoring department is required to fill out the Affiliates@UND form and obtain the appropriate signatures to ensure the affiliate is able to access the proper services. If a U Card is needed by the affiliate, the individual is responsible for payment of the U Card fee at the time of issuance. Please follow these line-by-line directions when filling out the form.

**Affiliates must have an ending date, we no longer allow indefinite ending dates. 12 months is usually sufficient.**

1. **Affiliate Name and Date of Birth:**
   Be sure to verify the correct spelling of the affiliate’s last, first and middle names and attain an accurate date of birth. In addition, and when appropriate, be sure to identify any other names by which the affiliate may have been known.

2. **EMPLID #:**
   The EMPLID # is the “key” to the affiliate being able to access services. This is always a 7 digit number that usually starts with a zero. If an affiliate has ever been employed by UND, another North Dakota University System institution, or state agency or has been a student at a North Dakota University System institution, they will already have an EMPLID #. If any of the answers to the questions are yes, the same EMPLID # will be used during the time the person is affiliated with campus. If the answer is no, a new EMPLID # will be assigned.

3. **Home (Local/Permanent) Address:**
   This is the home (local/permanent) address of the affiliate. If the affiliate has a cell phone #, it would be used for notification in case of a campus emergency.

4. **On Campus Address:** (This is to be completed by the affiliates department)
   Name of department, building name and room number, and campus phone # where the affiliate can be reached.

5. **Affiliation with UND:**
   Clearly state the purpose for affiliate to be on campus.
   For Emeritus Professor’s be sure to list department and Emeritus here.
   Ex. Communications Professor Emeritus.

6. **Dates Affiliate will be on campus:**
   Beginning date is the first date the affiliate will be on campus and will need access to services. The ending date is the final date the affiliate will be on campus and will need access to services. If the affiliate received an UCard, it will expire on this date. It is the obligation of the UND sponsoring department to ensure the affiliate’s status is terminated once their work on campus is complete. This is accomplished by providing an ending date on this form.

7. **Services Affiliate will be Utilizing:**
   Please check all that apply. Some services require the affiliate to have a U Card, for which the affiliate will be charged for the card. Further, some services are only available by purchasing them.
   1. Campus Libraries

   8. **Requested by (Sponsoring Department/Program/Unit):**
   Name of departmental contact sponsoring the affiliate, department name, department #,
   signature, phone # and date. This should be the name of the person to be contacted if there
   are questions or additional information is needed.

   9. **Sponsoring Department/Program/Unit Chair/Head/ Contact:**

   of the program or unit sponsoring the affiliate.

   8010 for approval and assignment of Emplid #, if required. Human Resources will forward to
   the U Card Office if a U Card is required for the affiliate to access services. Affiliate will be

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

- You must be told if information in your file has been used against you. Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment — or to take another adverse action against you — must tell you, and must give you the name, address, and phone number of the agency that provided the information.

- You have the right to know what is in your file. You may request and obtain all the information about you in the files of a consumer reporting agency (your "file disclosure"). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- You have the right to ask for a credit score. Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.

- You have the right to dispute incomplete or inaccurate information. If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
• Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information. Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.

• Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.

• Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need — usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.

• You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.

• You may limit “prescreened” offers of credit and insurance you get based on information in your credit report. Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).

• You may seek damages from violators. If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.

• Identity theft victims and active duty military personnel have additional rights. For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:

MEMORANDUM

To: UND Employees

From: Terry Wynne, Associate Director for Safety, Office of Safety

Date: October 28, 2014

Re: Workers Compensation/Designated Medical Provider (DMP) Procedures

UND participates in the Workforce Safety and Insurance (WSI) Risk Management Program. This allows the Risk Management Workers Compensation Program (RMWCP) to designate health care providers to treat your workplace injuries and illnesses. If you need to seek medical attention due to a work-related injury, you must see a designated medical provider (DMP). The attached UND Designated Medical Provider form has a listing of all UND designated medical provider areas.

Altru Occupational Health was selected by Risk Management because it has an occupational health services department with an occupational health physician as the attending physician. An occupational health physician specializes in work-related injuries/illnesses.

UND Student Health Services will no longer be listed as a designated medical provider for the University. Should an employee want to utilize UND Student Health for their work related injuries, employee must list Student Health on the DMP as you would any primary doctor, chiropractor, eye doctor, or dentist.

Employees intending to see a medical provider other than the University’s DMP must designate this in writing on the attached form. This now includes Student Health if you desire to utilize them for any work-related injury. This must be done pre-injury. The form is also available at [http://und.edu/finance-operations/environmental-health-and-safety/riskmanagement.cfm](http://und.edu/finance-operations/environmental-health-and-safety/riskmanagement.cfm). The form must be on file at the Office of Safety prior to the injury. If your job should require you to be out-of-town for a short period, you are urged to seek an After-Hour Clinic or an Urgent Care facility. Additionally, if your job will require you to be away from North Dakota for more than 30 days whether out-of-state or overseas, you must fill out the Out-of-State Workers Compensation Coverage Form or the Travel Outside the U.S. Form and the Notification of Out-of-Country form and submit to the Office of Safety at Stop 9031 or e mail them to: und.safety@email.und.edu. Instructions for those traveling outside of North Dakota for more than 30 days are located on this web site [http://und.edu/finance-operations/environmental-health-and-safety/riskmanagement.cfm](http://und.edu/finance-operations/environmental-health-and-safety/riskmanagement.cfm).

If you do not have a DMP on file or need to update your DMP, please fill out the attached form and submit to the Office of Safety. If updating the DMP form, please fill it out with all the medical providers you wish to utilize because the Office of Safety removes the previous and replaces it with the new DMP.

If you have any questions about the designated medical provider policy, please contact the Office of Safety at 777-3341.
Occupational Injury Guidelines

1) Determine the seriousness of the injury and if medical attention is needed. If the injury is an emergency, inform your supervisor and report to an emergency treatment facility. If an ambulance is needed, dial 911 IMMEDIATELY. Initial emergency care is exempt from Designated Medical Provider (DMP) requirements. Notify Office of Safety immediately regarding severe injuries that require ambulance response at 777-3341.

2) If medical attention is needed and it is not an emergency, contact UND’s DMP:
   Altru Occupational Health, 1300 Columbia Road So., Phone 780-1546.
   OR
   A DMP you have specifically identified in writing (prior to injury).

3) Complete online the Incident Reporting Form within 24 hours of the work-related injury. It is located on this web site: http://und.edu/finance-operations/environmental-health-and-safety/riskmanagement.cfm. Supervisor must also complete online the Incident Investigation Form within 24 hours and that is located on this web site as well. Instructions on how to complete the forms online are located on this web site as well.

4) Workers compensation claims are filed online by Office of Safety directly from the Incident Reporting Form. You will be contacted to sign your claim for benefits.

5) To sign your claim form, come to Office of Safety at 3851 Campus Road (second floor of University Police Department). If your injury limitations prevent you from coming to sign your claim, arrangements can be made to have the claim form brought to you. Once signed, Office of Safety will send the claim form to Workforce Safety & Insurance.

6) Contact Office of Safety at 777-3341 for any questions.

UND DESIGNATED MEDICAL PROVIDER FORM

UND participates in the Workforce Safety and Insurance (WSI) Risk Management Program. This allows the Risk Management Workers Compensation Program (RMWCP) to designate health care providers to treat your workplace injuries and illnesses.

WSI may not pay for medical treatment to another provider unless you are either referred to this provider by the Designated Medical Provider, or unless you designated in writing prior to the injury that you wanted to be treated by a different medical provider. Emergency care is exempt from this requirement. UND employees working outside the State of North Dakota for more than 30 days must complete the Out of State Workers Compensation Coverage Form. UND employees working overseas must complete a Travel Outside the U.S. Form. If working overseas for more than 30 days, must also complete the Notification of Out of Country Form. All forms can be found on the Office of Safety’s web site: http://und.edu/safety/health-and-safety/riskmanagement.htm. These forms can be mailed to Stop 9031 or e-mailed to und.safety@und.edu. UND employees that are working in the state must seek medical treatment from one of the following if injured on the job and they are:

If working overseas for less than 30 days, complete the Travel Outside the U.S. Form if working overseas for more than 30 days, also complete the Notification of Out of Country Form and submit to the Office of Safety three weeks prior to travel. Send forms to Stop 9031 or e-mail it to und.safety@und.edu. All forms and instructions are located on the web site: http://und.edu/safety/health-and-safety/riskmanagement.htm. Any questions, contact Office of Safety at (701) 777-3341.

Employees intending to see a medical provider other than the University’s DMP’s must designate this in writing before utilizing that provider’s services. This is accomplished by filling in the blanks below. You are not required to designate an additional DMP, but you must sign and return this form regardless. If updating the DMP form, please fill it out with all the medical providers you wish to utilize because the Office of Safety removes the previous and replaces it with the new DMP.

North Dakota child labor laws apply to teens ages 16 and younger and establish rules related to the employment of teens in four general areas. Specifically, they:

- Establish a minimum age of 14 to be employed.
- Restrict the hours that can be worked by teens ages 14 and 15.
- Prohibit teens ages 14 and 15 from performing work deemed to be hazardous.
- Require the completion and filing of an Employment and Age Certificate (work permit).

In addition, federal child labor laws further limit the types of work that can be performed by teens ages 14 and 15 and extend restrictions regarding work in hazardous occupations to teens ages 16 and 17.

A summary of both state and federal child labor laws can be found in the ND Department of Labor's brochure, *Youth Employment in North Dakota: State & Federal Regulations*. The full text of North Dakota's child labor laws can be found in N.D.C.C. 34-07.

**Supplies and Furniture**

Authorization for any supplies and/or furniture must be approved by the supervisor and the department chair/head prior to purchase. The University may provide standard office supplies if approved by the department chair/head.

Unless otherwise specified in the flexplace agreement, the employee will be responsible for providing furniture at the flexplace site. The University is not responsible for loss, damage, or wear of employee-owned equipment and/or furniture. Repair and/or replacement costs and liability for privately owned equipment and furniture used for flexplace work is the responsibility of the employee.

**Property and Equipment**

Home worksite equipment shall generally be provided by the employee. In the event that equipment is provided by the University, such equipment shall be used by the employee exclusively for University business.

Depending on the circumstances, the employee may be responsible for any damage of, or loss of, University property based on the discretion of the University.

The employee is responsible for maintenance and repair of these items unless other arrangements have been made in advance and in writing with the supervisor. The University assumes no responsibility for any damage to, depreciation of, or loss of the employee’s personal property that may be used at home (or another flexplace site) for University business. The University may pursue recovery from the employee for...
University property that is deliberately, or through negligence, damaged or destroyed while in the employee’s care.

The employee will return University equipment, records, and materials upon request and/or termination of the flexible work agreement. The employee may be responsible for any costs necessary to return, repair, or replace University property. If University property is not returned upon request, at the end of a flexplace situation or upon termination, the employee (or former employee) will be responsible for all costs to replace any unreturned equipment.

If the employee is unable to meet work obligations due to equipment issues, the employee will notify his or her supervisor and may be required to travel to the primary worksite to perform his or her functions until the issues are resolved.

The employee agrees to report to the supervisor any instances of loss or damage to University property, or known unauthorized use or access to University systems or data.

Property Insurance

The University has an insurance program to insure its property where it is approved for use. In the case of any damaged or lost equipment, the Office of Safety must be contacted as soon as possible for assistance in filing a claim. Personal property used in connection with University employment is not covered under the University policy and should be covered by homeowner’s or renter’s insurance. The University is not liable for personal property.

Data Security

Employees may find the need to work with sensitive information at the flexplace site in either paper or electronic form. To ensure the security and confidentiality of sensitive information, employees must take appropriate safeguards (e.g., not sharing passwords, implementing screen savers, etc.) to protect the integrity of data and prevent unauthorized disclosure.

External computers used to administer University resources or to access sensitive information must be properly configured and secured. Employees are required to connect to the University’s network through the Virtual Private Network (VPN) when accessing non-public sensitive data or systems. Employees must install or enable personal firewall software, and must use current endpoint protection software. The employee and supervisor must work with their division’s IT personnel to ensure proper configuration and security.

When accessing sensitive data remotely, employees are prohibited from storing sensitive data (such as Social Security numbers, student records, and credit card numbers) on local hard drives, flash drives, or other external media (including laptops and smartphones). Employees should periodically save files to a server that is maintained by the University.

Employees must follow all University policies and procedures relating to the security and integrity of sensitive data. Refer to the North Dakota University System (NDUS) Data Classification and Information Security Standard for more information (see Related Information of the Remote Site (Flexplace) Work Locations policy at http://www.ndus.edu/makers/procedures/ndus/default.asp?PID=433&SJD=62).

The flexplace employee will protect University information from unauthorized disclosure or damage and will comply with federal, state, and local laws, and University policies and procedures regarding disclosure of public and official records. Work done at the employee’s flexplace site is regarded as official University business. All records, documents, and correspondence, either in paper or electronic form, must be safeguarded for return to the primary worksite. Release or destruction of records should be done only in accordance with University policy and procedures and with the knowledge of the employee’s supervisor. Electronic and computer files are considered University records and must be protected as such.
University Records and Files

All University records and files temporarily stored at a flexplace work location remain the property of the University of North Dakota. Products, documents, and records that are used, developed, or revised must be copied and/or returned to the University when requested, at the end of the flexplace agreement, and/or at the termination of employment.

The employee will protect all confidential University documents from unauthorized access.

Personal Property Liability

The University will not be liable for damages to the flexplace employee’s property resulting from the flexplace agreement.

MEMO OF UNDERSTANDING – UNIVERSITY OF NORTH DAKOTA

EMPLOYMENT POLICIES AND REGULATIONS FOR
INTERNATIONAL STUDENTS IN F-1 OR J-1 STUDENT STATUS

As an international student holding F-1 or J-1 student status, I understand that the U.S. Code of Federal regulations\(^1\) states that I may work on-campus under the following conditions:

- I can work a maximum of only 20 hours per work week\(^2\) whenever classes are in session.
- I am allowed to work more than 20 hours per work week\(^2\) during official academic break weeks. Academic break weeks are those full weeks when classes are not being held.

DEFINITION OF ACADEMIC BREAKS (More than 20 hours of employment PERMITTED)

- Spring break week
- Any full week(s) between the Fall and Spring semesters
- Any full week(s) starting the week following commencement in May through the
  week before classes begin in the Fall

- These hour limitations are per week and apply regardless of the number of employers I have.
- I understand that it is my responsibility to keep track of the number of hours that I work in order to ensure that I do not exceed the work-hour limitations prescribed by U.S. immigration regulations and the international student employment policies of the University of North Dakota.

I understand and agree that I must follow these regulations. Failure to do so will result in:

- Termination of my employment
- Termination of my I-20 or DS-2019 resulting in loss of legal non-immigrant student status in the United States

My signature below verifies that I have read and understand the policies and regulations listed below and I understand the consequences to my status should I fail to follow these policies.

SECTION I: For Completion by the EMPLOYEE and/or the CURRENT SERVICEMEMBER for whom the Employee Is Requesting Leave

INSTRUCTIONS to the EMPLOYEE or CURRENT SERVICEMEMBER: Please complete Section I before having Section II completed. The FMLA permits an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a servicemember. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave. 29 U.S.C. 2013, 2014(c)(3). Failure to do so may result in a denial of an employee's FMLA request. 29 CFR 825.310(c). The employer must give an employee at least 15 calendar days to return this form to the employer.

SECTION II: For Completion by a UNITED STATES DEPARTMENT OF DEFENSE (“DOD”) HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either: (1) a United States Department of Veterans Affairs (“VA”) health care provider; (2) a DOD TRICARE network authorized private health care provider; (3) a DOD non-network TRICARE authorized private health care provider; or (4) a health care provider as defined in 29 CFR 825.125

For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty of active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave (Family and Medical Leave Act)

Notice to the EMPLOYER

The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking military caregiver leave under the FMLA leave due to a serious injury or illness of a covered veteran to submit a certification providing sufficient facts to support the request for leave. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 CFR 825.310. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees or employees' family members, created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 CFR 1630.14(c)(1), if the Americans with Disabilities Act applies, and in accordance with 29 CFR 1635.9, if the Genetic Information Non-discrimination Act applies.

SECTION I: For completion by the EMPLOYEE and/or the VETERAN for whom the employee is requesting leave

INSTRUCTIONS to the EMPLOYEE and/or VETERAN: Please complete Section I before having Section II completed. The FMLA permits an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for military caregiver leave under the FMLA leave due to a serious injury or illness of a covered veteran. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave. 25 U.S.C. 2613, 2614(c)(3). Failure to do so may result in a denial of the employee’s FMLA request. 29 CFR 825.310(b). The employer must give an employee at least 15 calendar days to return this form to the employer.

(This section must be completed before Section II can be completed by a health care provider.)

Part C: CARE TO BE PROVIDED TO THE VETERAN

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________
SECTION II: For completion by: (1) a United States Department of Defense ("DOD") health care provider; (2) a United States Department of Veterans Affairs ("VA") health care provider; (3) a DOD TRICARE network authorized private health care provider; (4) a DOD non-network TRICARE authorized private health care provider; or (5) a health care provider as defined in 29 CFR 825.125.

INSTRUCTIONS to the HEALTH CARE PROVIDER: The employee named in Section I has requested leave under the military caregiver leave provision of the FMLA to care for a family member who is a veteran. For purposes of FMLA military caregiver leave, a serious injury or illness means an injury or illness incurred by the servicemember in the line of duty on active duty in the Armed Forces (or that existed before the beginning of the servicemember’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the servicemember became a veteran, and is:

(i) a continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember’s office, grade, rank, or rating; or
(ii) a physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or
(iii) a physical or mental condition that substantially impairs the covered veteran’s ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or
(iv) an injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans’ Affairs Program of Comprehensive Assistance for Family Caregivers.

A complete and sufficient certification to support a request for FMLA military caregiver leave due to a covered veteran’s serious injury or illness includes written documentation confirming that the veteran’s injury or illness was incurred in the line of duty or active duty or existed before the beginning of the veteran’s active duty and was aggravated by service in the line of duty on active duty, and that the veteran is undergoing treatment, recuperation, or therapy for such injury or illness by a health care provider listed above. Answer fully and completely all applicable parts. Several questions ask a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can, terms such as “lifetime,” “unknown,” or “indeterminable” may not be sufficient to determine FMLA military caregiver leave coverage. Limit your responses to the veteran’s condition for which the employee is seeking leave. Do not provide information about genetic tests, as defined in 29 CFR 1635.3(s), or genetic services, as defined in 29 CFR 1635.2(q).

(Please ensure that Section I has been completed before completing this section. Please be sure to sign the form on the last page and return this form to the employee requesting leave (See Section I, Part A above). DO NOT SEND THE COMPLETED FORM TO THE WAGE AND HOUR DIVISION.)

While in furlough status, you remain an employee of UND and you:
- Are eligible to remain on benefits, regardless of the number of hours worked

Performance Evaluation Tool

Purpose of the form is to assist in the engagement and overall development of UND Staff; in addition to ensuring the goals of the university are advancing in a positive and successful manner.

How to Use This Document:

1. Major Responsibility:
   These are the brief overview statements of work to be performed, found as general headings in the employee’s official UND Position Description. Each responsibility is a significant requirement of the job derived from an analysis of the position. These major headings should be imported (cut and paste) onto this tool under the “Major Duties/Responsibility” section. There is no need to import the specific tasks in each section, just the main statement of responsibility. All text boxes in this document are expandable.

2. Comments:
   Each area of Major Responsibility must have comments to attribute how well the employee is performing or where an employee needs improvement. Again, EVERY area should have feedback provided for the employee regardless of rating.

3. Rating:
   Each area of Major Responsibility should have a rating correlating to the specific comments/examples provided.
   - Where a one “1-2” or “4-5” is given, the rating must be justified with a brief narrative description in the comments section detailing what exactly made the performance exceed standards or not meet standards.
   - When a “1-2” is given, there should be a formal corrective action plan already in place, or one must be developed and attached to this document. This must include goals detailing what development will occur to assist the employee in being successful. Please work with Human Resources to accomplish the improvement plans.
   - Sections where there is a “3” “Performance Expectations Fulfilled”, there should still be comments made regarding the performance of those duties.

4. Complete the second to last page
   - Identify any areas where performance has improved or deteriorated
   - Employee Comments
   - List Goals and supporting information

5. Last page
   1. Indicate the correct position description statement
   2. Employee signs and dates
   3. Supervisor signs and dates
   4. Reviewer signs and dates

4. Note: Policy 24 Reduction in Force

24.1 When necessary to achieve a reduction in force, institutions may terminate or reduce from full to part-time or hours worked of any staff employee due to an organizational or procedural change, diminished workload, lack of funds, or other exigency. The employee shall be given at least two weeks written notice of the reduction. At the institution’s discretion, employees who are terminated may be given two weeks pay in lieu of the two weeks notice.

24.2 Institutions shall not subject regular staff employees (see Section 22) to a reduction in force while there are temporary or probationary employees engaged in the same work, serving at the same work unit.

24.3 Institutions shall conduct reductions in force in a non-discriminatory manner (see Section 21.2) and shall not use such actions as a substitute for disciplinary measures.

24.4 Based upon departmental need and work to be performed, the department head shall determine which employees will be subject to reduction in force. In determining which employees shall be affected, the department shall consider the following:

1. An analysis of the acquired knowledge, demonstrated skills, and versatility of its employees compared to the work to be done and the available funding. Employees lacking the necessary skills and versatility should be considered for reduction.

2. An analysis of the level of demonstrated work performance. Employees having a consistently low level of performance should be considered for reduction.

3. A review of the length of service of its employees. Employees with the fewest years of service should be considered for reduction.

4. An analysis of the extent of required training needed to train a reassigned employee to full productivity in a different position. Employees requiring substantial retraining should be considered for reduction.

5. Any documented understandings concerning the position in place at the beginning of employment.

24.5 The department shall maintain written documentation of the required analysis and review in Section 24.4.

ADDITIONAL POLICY CONSIDERATIONS:

24.6 Rehiring of employees terminated or reducing hours worked shall be in the reverse order of the reduction in force when a similar job becomes available in their former department within two years from the date of the action.

24.7 Employees not on probation when terminated as a result of a reduction in force and entered within two years shall be credited with:
