* Use age on January 1 of the year you begin coverage, even if it is less than your current age.

- You may purchase Supplemental Life or Personal Accident, or both.
- Your premium is based on your age on January 1 of the year you begin coverage, and then on your age on January 1 each year thereafter.
- Your coverage and your spouse's coverage will be reduced by 35% at age 70 and by 55% at age 75 (of the original amount). This reduction applies to the Supplemental Life and Personal Accident coverage. The Basic Life coverage is not reduced. All coverage ends at retirement.
- Upon termination of employment, Supplemental Life coverage may be continued as a term life insurance plan or converted to a permanent cash value type plan. Personal Accident Coverage cannot be continued.
- If both husband and wife are eligible University of North Dakota employees, you cannot elect spouse coverage.
- If you wish to begin or increase Supplemental Life coverage after you have been eligible for more than 31 days, you will need to complete a Personal Health Application and be approved by Mutual of Omaha to receive the additional coverage.
- If you become totally disabled before age 60 and your disability lasts for at least 3 months, your life insurance premium may be waived.
- Refer to the group policy for provisions regarding coverage for members of the armed forces, and disability of dependents on their normal effective date.

As is standard with most term life insurance, this Insurance coverage includes limitations and exclusions:
- Death by suicide (one year).
- Other exclusions may apply depending upon your coverage.
