

**Programs, Services, and Policies needed, but not currently provided at UND  
Managing Mental Health Priority Action Group**

WE NEED:

Centralized data collection for H&W issues - feeds campus committee recommendations, policies and strategies  
24/7 Crisis Management  
Leadership statements from President and Student Body President  
Student insurance plan endorsed by N.D.U.S that covers Mental Health  
Medical Leave Policy that considers Mental Health  
Medical Leave Policy vs. Withdrawal  
Coordination of Mental Health needs of Cultural Minority Group  
More “time” for coordination/CME, UCC, & SHS Provider (monthly education series)  
Student self-care centers; H&W issues, self-assessments  
Mandatory Insurance providers for prevention and MH services  
ResLife Community Network  
Education to families and students to think through transitional issues that can come at odds with required curriculum  
Support for staff/faculty education re: MH and recognizing/referring students with MH needs  
Money for “chat” crisis line (in process (?) through DOS & UCC) through existing program in Fargo  
Gatekeeper Training  
    Faculty meeting  
    Staff training  
    Student workshops  
Ways for students to apply what they are processing through (stress management classes, mission trips (spiritual and non-spiritual), and continued support for Night Life and programs just like this)  
Coordinated response for violent incidents to UND students (emotional trauma) whether on or off campus  
Abuse of Rx drugs education/data/assessment  
Center (space) for Ten Percent Society  
Mental Health First Aid Training  
Parental notification for MH  
Increase number of hours for psychiatrist UCC referrals  
Student/family counseling room at SHS so we could call UCC down when students in crisis  
Independent living transition information  
Grief counseling, coping, isolation  
Families receive information from institution re: MH resources – how to support student  
Financial Peace Classes  
Become more vocal about the issues going on, on our campus (admit our issues)  
Life skills, social network built into 1<sup>st</sup> year – required  
Grant writer lots of opportunities out there – we need to go after money for our campus  
Money for courtesy transportation on UND campus; vouchers for ride home from hospital, to referral appointments, other temporary un-met medical needs  
More welcoming/relaxing storefront for SHS & UCC; too sterile
