**UND Financial Aid Guide**

UND Financial Aid Steps and Financial Aid Definitions

**Dropping a Course & Withdrawal Financial Implications**

Important! Timing of drop/withdrawal may have financial implications.

- 100% Refund, 75% Refund, 50% Refund (Dates & Deadlines) – only for withdrawal to 0 credits

**Repeating Course Work**

- Once credit - a letter grade of “D” or better - has been earned in a course, a student may receive financial aid for only one additional (second) attempt of the same course, regardless of the earned grade for the second attempt.

**SAP FAQ Answers:**

- SAP status is based on prior term’s progress and is cumulative – evaluated after grades post each term
- Petitions always due by first day of class and mid-June for Summer term
- Students should submit petition ASAP even if documentation from advisor is not ready
- All attempted credits are counted by career, not program – a student’s transfer credits will factor in.
- Having excess credits due to changing majors, transfer, or previous degree is an acceptable extenuating circumstance.
- Completion Rate = all successfully completed credits / all attempted credits (repeats and Ws included) must be 66.67%+
- Warning Status: student is not meeting SAP but has a term to try meet on their own before disqualification
- Info Status: Student is approaching maximum credits – they may need to petition if they won’t finish their degree by limit

**Internship** – follows regular fed aid guidelines

**CO-OP** – 2 credit CO-OP= 12 credits, 1 Credit CO-OP= 6 credits

**Collaborative Enrollment** – must complete collaborative agreement

**Consortium Agreements** - must complete by the first day of class at UND
