**Two Accounting Degree Tracks**

With UND's Bachelor of Accountancy (B.Acc.), you'll have business experience and skills that are in demand.

You'll select one of two accounting tracks:

1. The B.Acc. provides graduates with valuable business and accounting skills necessary for numerous business positions. This degree also provides foundational coursework for those who plan to take professional accounting certification exams.
2. The combined B.Acc./M.Acc. program puts you on the fast track. You'll earn both a bachelor's and master's degree in 5 years and prepare for the CPA exam.

**Accredited Accounting Degree**

UND's Accountancy program is accredited by AACSB International, the Association to Advance Collegiate Schools of Business. Accreditation by AACSB International puts the Nistler College of Business & Public Administration (CoBPA) in the top 5% of business schools in the world.
