Computer Science (Minor)

Build the skills needed with technology to create solutions to future problems.
Get a background in how technology infrastructure works with a minor in Computer Science.

Program Snapshot

- **Program type**: Minor
- **Format**: On-campus
- **Est. time to complete**: 1-2 years
- **Credit hours**: 20

Why Study Computer Science at UND?

UND offers a minor program that is truly unique with opportunities to:

- Create web and mobile apps.
- Develop computer animations and virtual reality systems.
- Analyze imagery and data from unmanned and manned aircraft systems.
- Influence the design of systems for aerospace.
- Develop expertise in cybersecurity, big data, software engineering, information technology, computer animation, and game design.
