Computer Science (Minor)

Build the skills needed with technology to create solutions to future problems.
Get a background in how technology infrastructure works with a minor in Computer Science.

Program Snapshot

Program type: Minor
Format: On-campus or online
Est. time to complete: 1-2 years
Credit hours: 20

Why Study Computer Science at UND?

UND offers a minor program that is truly unique with opportunities to:

- Create web and mobile apps.
- Develop computer animations and virtual reality systems.
- Analyze imagery and data from unmanned and manned aircraft systems.
- Influence the design of systems for aerospace.
- Develop expertise in cybersecurity, big data, software engineering, information technology, computer animation, and game design.

When You Minor in Computer Science

A Computer Science minor gives you the strategic skills you need, including:

- Java (Programming Language)
- SQL (Programming Language)
- Hypertext Markup Language/HTML
- C++ (Programming Language)
- JavaScript (Programming Language)

UND Computer Science Alumni

Computer Science alumni have gone on to a variety of successful careers with:

- Digi-Key Corporation
- Rockwell Collins, Inc.
- Amazon.com, Inc.
- Altru Health System
- Newscycle Solutions, Inc.

Learning to Lead

Computer Science researchers encourage young students to think through experiments and hypotheses.
