Build the skills needed with technology to create solutions to future problems.

Get a background in how technology infrastructure works with a minor in Computer Science.

**Program Snapshot**
- Program type: Minor
- Format: On-campus or online
- Est. time to complete: 1-2 years
- Credit hours: 20

**Why Study Computer Science at UND?**

UND offers a minor program that is truly unique with opportunities to:

- Create web and mobile apps.
- Develop computer animations and virtual reality systems.
- Analyze imagery and data from unmanned and manned aircraft systems.
- Influence the design of systems for aerospace.
- Develop expertise in cybersecurity, big data, software engineering, information technology, computer animation, and game design.
