Guaranteed Count
A guaranteed attendance for all banquets, dinners, luncheons, and receptions must be submitted no later than 5 business days prior to the event. Catering will prepare food for 5% above the guarantee for groups over 200 and 10% above for groups under 200. We understand that many times the number of guests fluctuates by the time the actual event takes place. Requests to change the guarantee +/-10% after the guarantee due date will be accommodated wherever possible; however, additional charges may apply.

Cancellation Charges
Cancellation of an event, 24 hours or less prior to the event, can result in the following charges:
1. Any specialty food item(s) not stocked by Dining Services
2. Labor charges (minimum of 4 hours) for personnel who are assigned and report for duty prior to the cancellation notice
3. Any other charges (i.e. rentals) incurred by University Catering

After the function has been held, Dining Services will initiate a Journal Entry to charge the departmental fund indicated on the University Catering Agreement.
