Your Role: Captain/Player

4. Select "Pending Roster", then "Browse Free Agents".

The screenshot shows a web interface for managing a team. At the top, the team name "Test 1" is displayed with an edit icon. Below this is a green breadcrumb trail: "Test / Test / Test". The "Team Uniform Color" is set to "White" in a dropdown menu. The "Status" is "Free". There is a checked checkbox for "Interested in Free Agents". Below this are two tabs: "Roster" and "Pending Roster". A red arrow points to the "Pending Roster" tab. Underneath the tabs are three green buttons: "INVITE PLAYER", "INVITE CO-CAPTAIN", and "BROWSE FREE AGENT". A "Hide De" checkbox is partially visible to the right of the "BROWSE FREE AGENT" button. Below the buttons is a light red message box that says "No one on pending roster yet." A red arrow points to this message box.

5. Select free agent desired and invite to team! Note: they will have to accept the invite and sign the waiver/take the quiz before they are added to the active roster and are eligible for competition.
