## **General Rules**

- Official Spikeball rules were used and govern all other areas not listed below. They can be found here: <https://tournaments.spikeball.com/pages/official-rules-1>.

## **Length of Game**

- Matches will be best of 3 games.
- Games will be played to 21.
  - Win by two
  - Rally scoring (both serving and receiving team can score points)

## **Serving**

- The receiving team sets their position first. The server stands 180 degrees across the designated receiver--the only player allowed to field the serve.
- Serves may be struck with any amount of force.
  - Short serves are allowed.
- If a server serves two faults, the receiving team wins the point. Violation of ANY of the following rules is a fault:
  - The server must toss the ball upward at least 4 inches.
  - If the server tosses the ball, he/she must hit it.
    - Dropping, catching, or swinging at and missing a toss all count as a fault.
- Rotation rules:
  - If the receiving team wins the point, the next designated player serves according to the initial sequence (clockwise around the net).
  - Otherwise, the server switches places with his/her partner and serves to the other receiving team member.

## **Scoring**

- The rally ends and a point is awarded when:
  - The ball contacts the ground or otherwise isn't returned onto the net within 3 touches.
  - The ball is hit directly into the rim at any time, unless it's the serve.
  - The ball bounces and falls back onto the net or rim.
  - The ball clearly rolls across the net.

## **Faults/Infractions/Contacting the Ball**

- Touches must alternate between teammates.
  - Consecutive touches by one player result in a loss of a point.
- The ball must be contacted cleanly, not caught, lifted, or thrown.
- Players may not hit the ball with two hands, even if placed together "volleyball style".
- Players may use any individual part of their body to hit the ball.
- After the serve, any unusual bounce (i.e. pocket) that does not contact the rim is legal and playable.
  - A shot which lands on the net, rolls into the rim and then off the net (i.e. roll-up) is played as a pocket, not a direct rim hit.
- Defending players must make an effort not to impede the offending team's possession or play on the ball.

- If an offender collides with a defender, or a defender's position prevents a makeable offensive play on the ball, the infracted player may call "hinder" to force a replay of the point.
- If teams cannot determine the legality of a hit, replay the point.

#### **Reporting Scores**

- After the match is completed both teams' captains must report the score to the Coordinator of Campus Recreation (email listed above) so that it may be recorded.
- Scores will be posted online at [wellnessregistration.und.edu](http://wellnessregistration.und.edu).

**Spikeball is self-officiated! There will be no Intramural staff members in attendance for games. Please ask the front desk to set up the net upon arrival to the Wellness Center.**
