Psychology & Sociology

Senior

How long have you worked for Wellness & Health Promotion?

I have worked for the Wellness & Health Promotion team since Fall of 2017.

What skills have you learned working at the Wellness Center that you will take with you in your future career?

I have enhanced my social skills as well as leadership and interpersonal skills. I feel very confident working other which is something I am excited to take into my future career.

What is your greatest accomplishment?

My greatest accomplishment is commitment. Whether it is working at school or back home, I have worked the same jobs for at least two years. I am proud to say I am able to work that long at the same places and still love working there.

Who do you look up to and why?

I look up to my Mom because she is the strongest, and most selfless woman I know. She always has the right answer for every situation and wants is best for me in every aspect of life. She is and will always be my role model.

If you could go anywhere in the world, where would it be and why?

I would love to travel Europe. It has been on my bucket list! I just love their culture and trying new foods.
