

How to create a Steam Account

1. Go to www.steampowered.com.
2. Click "Login" at the top right corner of the screen.

3. On the login screen, click "Join Steam."

4. Enter the email address you would like to use for your Steam account. **Keep in mind that when logging into Steam, including at our Nexus, you will need to be able to access this email from your phone to confirm the login.**

The screenshot shows the 'CREATE YOUR ACCOUNT' page on Steam. It features a dark background with a character illustration on the left. The form includes the following elements:

- Email Address:** A text input field.
- Confirm your Address:** A second text input field for verification.
- Country of Residence:** A dropdown menu currently set to 'United States'.
- reCAPTCHA:** A box with the text 'I'm not a robot' and the reCAPTCHA logo.
- Terms and Conditions:** A checkbox with the text 'I am 13 years of age or older and agree to the terms of the Steam Subscriber Agreement and the Valve Privacy Policy.'
- Continue:** A blue button at the bottom.

5. Steam will send you an email to verify your account. Do not close the browser window!

The screenshot shows the 'VERIFY YOUR EMAIL' page. It features a dark background with a character illustration on the left. The form includes the following elements:

- Header:** 'VERIFY YOUR EMAIL' in large white text.
- Instruction:** 'Check mike.wozniak@hotmail.com for an email from Steam to complete your account setup.' Below this is a blue bar representing the email address.
- Progress Indicator:** Three vertical blue bars of varying heights.
- Status:** 'Waiting for you to verify...' in blue text.
- Link:** 'Haven't gotten our email?' with an 'Expand' button below it.
- Continue:** A blue button at the bottom.

6. Login to your email and click the link to verify your Steam account.

7. Steam will confirm that you have verified your email and that you should navigate back to the prior account creation window. On this page, you will be asked to create your Steam username and password.

8. You now have a Steam account! Make sure to visit the View Profile, Account Details, and Preferences pages to personalize your account, change privacy settings, etc.
