

# IN PURSUIT OF WORK WORTH DOING

TRANSFER

Welcome to your North Dakota family.

You've started college, so you've already taken a huge step toward completing your degree. At the University of North Dakota, we're committed to making the best possible college experience for transfer students so you can be the leader you're meant to be.

**\$12,700**

average annual financial assistance  
received per UND student

**27**

average class size

**70+**

online undergraduate  
programs and certificates

## Top 3 Reasons Why UND

### EASY TRANSFER CREDITS.

UND wants to make your transfer process easy, so we've made it possible for all college-level credits attempted at CHEA-accredited institutions to be transferred to UND. Incoming students transfer an average of 76 credits to UND.

Grand Forks, ND 58202-8357

### LESS TIME. LESS DEBT.

UND's combined tuition, fees and room / meal plans cost about \$3,000 less per year than the national average for four-year doctoral universities. In addition, we're dedicated to helping you graduate on time, which means less debt and a faster return on your education investment.
